

## TEXAS ATTENDANCE POLICY

Colleyville Heritage High School and Grapevine ISD are committed to providing you with a quality education. To help us in that endeavor, we need a commitment from you to be in attendance every day. When you are in class every day, doing each day’s work that day, learning becomes much easier—and you become much more successful.

The State of Texas understands the relationship between good attendance and a good education and has passed the following attendance law:

A student must be in attendance 90% of the total number of school days in order to receive credit in his or her classes.

With our block schedule this means that students who miss more than five days may lose credit.

Colleyville Heritage will do all that we can to ensure that you receive credit in courses where you have earned a passing grade. We will notify parents by mail if a student’s absences exceed the minimum allowed and we will work with students on a contractual arrangement to regain their credits. However, the major responsibility lies with you. Here is how you can help:

If illnesses or emergencies do occur, parents are requested to call the attendance office each day the student is absent. You may call the Attendance Hotline 817-251-595 24 hours a day.

After an absence, student must re-enter school through the attendance office and must present a written excuse signed by a parent or guardian unless the parent has called the Attendance Office.

We are very hopeful that this will be your very best school experience yet and thank you in advance for covenanting with us to make this happen.

Colleyville Heritage Faculty and Staff

I, \_\_\_\_\_, hereby pledge to strive for excellent attendance while at CHHS. I understand the attendance policy and agree to adhere to it.
